

# The Credit Union Directory

## Stay on Top of Credit Union Information with One Reliable Directory

The Credit Union Directory is the ultimate reference for financial industry professionals looking to identify credit unions in the United States.

### What is The Credit Union Directory?

Produced by Accuity in conjunction with the Credit Union National Association (CUNA), The Credit Union Directory contains all of the information you need for the head offices of all credit unions and their branch locations. The directory conveniently lists details such as complete contact and location data, number of members and employees, leadership names by department, routing numbers, Fedwire status and much more.

### Why do I need The Credit Union Directory?

Mergers, acquisitions and new locations are just a few developments impacting credit unions around the country and across town. The accelerating rate of change within the credit union industry has made up-to-date information especially important for those who interact with this dynamic market.

### What The Credit Union Directory can do for you

The Credit Union Directory, published in January and July, is specifically designed to help credit union, financial industry and other business professionals work more effectively and efficiently. With The Credit Union Directory, you will be able to:

- > Access important information on credit union trends
- > Find information on CUNA, State Credit Union Leagues and regulators
- > Access important information on any credit union in the U.S.
- > Process checks and wire transfers confidently with the up-to-date ABA routing numbers
- > Save time contacting credit unions that have changed their names, numbers or locations
- > Find key contacts in departments ensuring that all questions are answered accurately
- > Research financial information to identify and compare total assets, shares, investments, loans, operating expenses, net worth and return on assets

**The Credit Union Directory is a comprehensive resource that provides all the information necessary for your credit union research**

---

### Key Features

- > Contains precise credit union data
  - > Improves operations and interactions with credit unions
  - > Saves time and money
  - > Published biannually
-
