

North American Financial Institutions Directory

The Only Source for North American Financial Institution Data

The North American Financial Institutions Directory has all the information you need to enhance your funds transfers, industry research and marketing operations.

What is the North American Financial Institutions Directory?

Since 1895, the North American Financial Institutions Directory has been a cornerstone of information for the business community. Published in January and July, this directory provides a comprehensive inventory of all financial institutions in the North American region including the United States, Canada, Mexico, the Caribbean and Central America.

Why do I need the North American Financial Institutions Directory?

The North American Financial Institutions Directory—like its name states—is quite simply the go-to resource for locating data on any financial institution within North America. This essential directory contains details such as:

- > Officers' and directors' names
- > Mailing, street and Web addresses
- > Telephone and fax numbers
- > Legal title
- > Mergers and name changes
- > Expanded statements of condition including net income
- > ABA routing number in MICR and fractional forms
- > Fedwire status and Fed telegraph name
- > ACH membership status

What the North American Financial Institutions Directory can do for you

With alphabetical indexes, maps, lists of the largest banks/savings institutions/credit unions and thoroughly researched high quality data, the North American Financial Institutions Directory is filled with indispensable information.

In addition, the Resource Guide gives you data for financial industry vendors and service providers in North America. From a listing of regulatory and government agencies to a guide on routing numbers, the North American Financial Institutions Directory is the most detailed resource available.

Accurate information in one convenient place for all your North American banking needs

Key Features

- > Up-to-date head office and branch listings
- > Includes financial institutions in Canada, Mexico, the Caribbean and Central America
- > Lists credit unions with assets in excess of US\$25 million
- > Published biannually

North American Financial Institutions Directory
