

World Bank Directory

Reach Around the World with Global Bank Information in One Convenient Source

The World Bank Directory provides quick and easy access to the information you need and offers an insider's perspective on global banking.

What is the World Bank Directory?

Since 1896, banks and financial executives worldwide have relied on the World Bank Directory as the definitive source of global information on banks and their branches. The World Bank Directory, published annually, is the most comprehensive and easy-to-use bank reference tool available.

Why do I need the World Bank Directory?

With the ongoing globalization of business relationships and marketplaces, having access to reliable and up-to-date banking information has never been more critical for global businesses. Accuity has the largest and most experienced editorial staff in the industry, providing the most complete and precise worldwide banking information available anywhere.

What the World Bank Directory can do for you

With this detailed reference tool, you will be able to find important bank details such as senior managers, directors, key shareholders and banking correspondents in major cities around the world. In addition, you will find details for every bank and its branch locations including:

- > Mailing, street and Web addresses
- > Telephone and fax numbers
- > Legal title
- > Mergers and name changes
- > Expanded statements of condition
- > Discontinued banks with details
- > Correspondent banking relationships
- > Standard settlement instructions (SSIs)
- > SWIFT/BIC addresses
- > Telex details

Each head office listing also provides the latest figures for total assets, total deposits, capital and net income. Figures are listed in both the bank's home currency and in U.S. dollars for ease of comparison across countries.

All the information you need is at your fingertips— helping you work more effectively with financial institutions around the globe

Key Features

- > National clearing codes
